Project DetailsMajor project – Live Order

This Is A Hotel Order Management App. I made this App for Hackathon Along With 2 Other Partners

- Waiter part – Here Waiter Take Order From Customers
- Chef part – Here Chef Receive Orders From Waiter And Let'em Know When Ready
- Admin part – Here admin Manage Tables, Users And See Analysis Of Hotel

Mini project – Isto Android Game

I Made This Game While Learning React-native.it was a great Challenge to Push Limits
